

**REVISED**  
3:07 pm, Apr 07, 2026

**Department of Public Works**  
7 Court Street, Room 210  
Belmont, New York 14813  
Phone: (585) 268-9230

**ALLEGANY COUNTY DEPARTMENT OF PUBLIC WORKS**  
**2026 BID PRICES FOR VARIOUS ROAD BUILDING MATERIALS**  
PRICES EFFECTIVE MAY 01, 2026 THROUGH APRIL 30, 2026

All materials at the low bid price are available to any Town, Village, School District, or Fire District within Allegany County pursuant to Section 103 of the General Municipal Law.

Per Section 408-a (2) of the County Law and Allegany County Resolution No. 202-15, all political subdivisions within the state of New York may piggyback off this competitive bid, provided that both parties mutually agree. Allegany County assumes no financial or legal responsibility for any purchases made by other parties under this contract extension.

The determination of the low bid and whether the lowest bidder for any item can fulfill the contract shall be made by the appropriate municipal official, not by Allegany County Public Works.

Bid specifications for the various materials are available for review at the Allegany County Department of Public Works office in Belmont. The department provides these material prices as a service to municipalities that wish to utilize them but does not assume any responsibility for claims, demands, suits, expenses, or damages arising from purchases or the use of these materials.

**Use at Your Own Risk**

Municipalities utilizing these bid prices do so at their own risk. Allegany County makes no guarantees regarding the quality, suitability, or performance of the materials purchased under this contract. Each purchasing entity is responsible for conducting its own due diligence to ensure that it is in compliance with all applicable procurement policies and that the selected materials meet its specific needs and requirements.

Thomas H. Windus, P.E.  
Superintendent

## BID SHEET - FIBER REINFORCED BITUMINOUS MEMBRANE SURFACE TREATMENT

The undersigned bidder has carefully examined the specification for FIBER REINFORCED BITUMINOUS MEMBRANE SURFACE TREATMENT and agrees to furnish and supply all the materials, equipment, tools and labor necessary to properly install the product requested, in strict conformance to the detailed specification attached. No deviations, amendments, or alternative methods of application or installation of the product or specification will be considered.

Bidders are requested to submit prices per square yard for the two (2) types listed and Options A - F. The square yard range is the average daily square yards to be constructed on all project locations or work sites

<u>SQUARE YARD RANGE</u>	<u>FiberMat Type A</u>	<u>FiberMat Type B</u>	<u>Option A</u>	<u>Option B</u>	<u>Option C</u>	<u>Option D</u>	<u>Option E</u>	<u>Option F</u>
1 - 5,000 SY/Day	\$ <u>4.39</u> /SY	\$ <u>4.34</u> /SY	\$ <u>.77</u> /SY	\$ <u>.515</u> /SY	\$ <u>.37</u> /SY	\$ <u>.85</u> /SY	\$ <u>.37</u> /SY	\$ <u>.635</u> /SY
